高校生和動画祭 #青春応援プロジェクト

Saitama Prefecture is holding the "High School Student 'Japanese Culture' Video Festival 2023 #Youth Support Project" in order to support high school students and communicate their activities outside of school, outside the prefecture, and to the world. We are planning to broadcast a video and vote at the venue on the day of the event.

*Please check the official website for the program and more information about performances, workshops and exhibits.
