Listen to the video message from Mr. William. He will be a new ALT at a junior high school. Choose the best answer for questions 1, 2 and 3.

Let's start.

Hello, everyone. I'm John William from the U.S. and I'm going to be your new ALT next month. I'm very excited to see you soon. Now, I'd like to introduce myself. I like Japanese food very much. There are a lot of Japanese restaurants in my city. I love eating sushi and *udon*, so I can't wait to try them in Japan.

In my free time, I watch movies. I also read Japanese manga and watch anime. I've been a manga and anime fan for eight years. They are very popular in the U.S., too. I want to talk with you about them in English class.

I have some questions for you. First, what do you usually do in your free time? Second, what are the interesting places in your city? What do you recommend? It will be nice to know more about you and your city.

OK, I have to go now. My family is having a goodbye party for me before I leave the U.S. I hope my new life in Japan will be exciting and interesting. I'll see you soon.

Question 1 : How long has Mr. William been a Japanese manga and anime fan?

Question 2 : What is Mr. William's family going to do before he leaves the U.S.?

Question 3 : Which is true about Mr. William's video message?

(英文と質問を繰り返します。)

Listen to the interview between Shohei and Ms. Green, an ALT from Canada, and read the questions. Then write the answer in English for questions 1, 2 and 3.

Let's start.

Shohei : Thank you for joining us, Ms. Green. We're happy to have a chance to talk with you.

Ms. Green : I'm also glad to be here.

Shohei : OK, we'd like to ask you about your life at our school. You have been here as an ALT for three months. How do you like our school?

Ms. Green : I like this school very much. Many students are active and the teachers are interesting.

Shohei : Do you have any stories you can share with us?

Ms. Green : Well, one day, after school, I went to the school gym to watch a basketball practice. I just wanted to watch it, but many students in the club came to me and asked me to play basketball with them. I had a good time.

Shohei : You were a member of your school's basketball team when you were a student in Canada. You told us about that in English class last week.

Ms. Green : Oh, that's right.

Shohei : Well, it was really short, but it's time to finish today's interview. We'd like to continue the interview tomorrow. We want to hear your interesting stories about the teachers here.

Ms. Green : Of course. Thank you for having me today.
