Let's start.

Hi, everyone. I know many of you are interested in different cultures, but there are not many chances to meet and talk with people from other countries. So, I have the perfect event for you, the World Kobaton Festival. Have you seen the posters in the classrooms? If you haven't seen them yet, let me tell you about it.

Six ALTs from countries in Europe, Africa, and Asia will come to the World Kobaton Festival. We will teach you about traditional games and popular music from our countries there. We will also wear our traditional clothes. Sounds exciting, right?

The ALTs want you to learn more about different cultures. They also want to share their culture with you. We all look forward to spending time with you at the festival. I'm sure you will have a wonderful time.

If you are interested in the festival, please let me know.

Question 1 : What can the students do at the World Kobaton Festival?

Question 2 : Which countries are the ALTs from?

Question 3 : What does Mr. Williams want the students to learn through the World Kobaton Festival?

- Shohei : That sounds wonderful. Anywhere else?
- Ms. Miller : Well, we went to the top of Tokyo Tower to see the great view of the city at night. My parents had a good time.
- Shohei : That's nice. What food did your parents try during the trip?
- Ms. Miller : They tried a lot of delicious food! Their favorite food was tempura.
- Shohei : Oh, I love tempura, too. I'm glad your parents had a wonderful experience.
